

## **Student Attendance Guidance and Procedure**

### **1. Introduction**

- 1.1 In order to progress and achieve the award for which a student is registered, they must attend the classes for each individual module regularly and in accordance with any compulsory attendance requirements defined for such modules.
- 1.2 This guidance and procedure document outlines the attendance requirements and procedure of absences for each student attending Undergraduate and Post Graduate.

### **2. Attendance and Recording**

On the Foundation and BA (Hons) programme it is considered unlikely that a student will have achieved the learning outcomes with less than 95% attendance.

- 2.1 Attendance to all classes should be 100%. Any student that fall below 95% attendance without prior permission or extenuating circumstances will face disciplinary action (please refer to Disciplinary and misconduct policy: Students)
- 2.2 Attendance categories are as follows;
  - Present
  - Absent without Permission
  - Absent with Permission.
- 2.3 The attendance is monitored from the class registers for each lesson. If a student has not signed in the register or is not recorded as present on the class register, they will be marked absent without permission.
- 2.4 Students must tap in and out at reception each time they enter in and out of the building using their Shockout Arts ID card.
- 2.5 A class register for any guest teachers will be taken by appropriate staff.

### **3. Late Students**

- 3.1 Students are expected to be at their classes on time. This applies to all classes that are online.
- 3.2 If a student is late for their first class of the day, for any reason, in the first instance they must phone or email Head of Year and explain the reason for their lateness.
- 3.3 Students are not allowed to enter a class once the register has been taken and will be marked as absent without permission.
- 3.4 Students who continue to be late or miss classes will be met by the Principal and may face disciplinary procedures (refer to Disciplinary and Misconduct Policy: Students).

#### **4. Absent without Permission**

- 4.1 If a student cannot attend university for any reason, and they have not been given permission prior to the date of their absence they will be marked as absent without permission.
- 4.2 Student that have not been given permission for an absence must phone or email between 08:00 and 08:30 to inform the college/university of their absence with the reason why they are absent.
- 4.3 In some instances the Head of Year may inform the student that their reason for absence is not valid and they must come into the college/university.
- 4.4 Students who do not follow the procedure outlined in 4.2 and 4.3 will be subject to disciplinary action.
- 4.5 Students who provide evidence for the reason of their absence eg. Doctor's certificate or hospital note, may be able to have their absence changed from absent without permission to absent with permission retrospectively at the discretion of the Principal.

#### **5. Absent with Permission**

- 5.1 Students must get prior permission beforehand where possible from their Head of Year for doctors, hospital, dental appoints.
- 5.2 Absences for more than one week at a period of time to be obtained from the Principal. The process will then be as follows:
  - 5.2.1.1 Principal will authorise the absence
  - 5.2.1.2 Principal will decline the absence
  - 5.2.1.3 Principal will request further information or
  - 5.2.1.4 Principal will request a meeting with the student.
- 5.3 If a student is ill, injured or has some other emergency during college times which means they will miss a class or leave early, they must complete an Absence Form from their Year Leader. If the Head of Year is not available then permission can be obtained from the Administration Office.
- 5.4 The Head of Year is the only person that can authorise absences and this can be done via email.
- 5.5 Any student who leaves early or miss a class without first speaking to a designated member of staff will be marked absent without permission and may face disciplinary action.

#### **6. Reasons Acceptable for Absence**

- 6.1 The examples below are acceptable reasons for absence, each request for permission to be absent is assessed on a case by case basis. If a student's current attendance has fallen below 95% permission may be denied. In all instances the student must get permission in advance and provide supporting evidence. A student may be able to gain permission retrospectively as outlined in paragraph 4.5. Failure to do so will result in the absence being recorded as absent without permission.

- 6.1.1 Illness
- 6.1.2 Immediate family death/emergency
- 6.1.3 Funerals
- 6.1.4 Severe injury
- 6.1.5 Doctor or hospital appointment
