<https://www.gov.uk/government/publications/prevent-duty-guidance>

- ensure an awareness of “Prevent” within Shockout Academy
- provide a clear framework to structure and inform our response to potential radicalisation, including a supportive referral process for those who may be susceptible to the messages of extremism
- to provide a framework to embed British Values into the curriculum and ways of working and
- recognize current practice which contributes to the Prevent Agenda and identify areas for improvement

1. Why do we need this policy?

Background Information

Prevent is one of four strands of the Government’s counter terrorism strategy – CONTEST. The UK currently faces a range of terrorist threats. Terrorist groups who pose a threat to the UK seek to radicalise and recruit people to their cause. Therefore, early intervention is at the heart of Prevent, which aims to divert people away from being drawn into terrorist activity.

Who does this policy apply to?

The Prevent Policy applies to everyone working at or attending the Shockout Academy. It places responsibilities on all Trustees; Shockout Academy Staff; Learners; Volunteers; Contractors; Visitors; Consultants; and those working under self-employed arrangements.

Statement

Shockout Academy has adopted the Prevent Duty in accordance with legislative requirements.

The aim of the Prevent Policy contributes to maintaining a safe, healthy and

supportive learning and working environment for our Learners, Staff and Visitors alike. We recognize that extremism and exposure to extremist materials and influences can lead to poor outcomes for learners. We further recognize that if we fail to challenge extremist views, we are failing to protect our Learners from potential harm. As such, the Prevent Agenda, will be addressed as a safeguarding concern and dealt with in accordance with guidance from the National Office of Counter-Terrorism.

Prevent happens before any criminal activity takes place by recognizing, supporting and protecting people who might be susceptible to radicalisation.

The national Prevent Duty confers mandatory duties and responsibilities on a range of public organisations, including Further Education Colleges, and seeks to:

- respond to the ideological challenge of terrorism and aspects of extremism, and the threat we face from those who promote these views;
- provide practical help to prevent people from being drawn into terrorism and violent extremism and ensure they are given appropriate advice and support; and
- work with a wide range of sectors where there are risks of radicalisation which needs to be addressed, including education, criminal justice, faith, the internet and health.

2. Definitions

The following are commonly agreed definitions within the Prevent duty:

- an ideology is a set of beliefs;
- radicalisation is the process by which a person comes to support terrorism and forms of extremism that may lead to terrorism;
- safeguarding is the process of protecting vulnerable people, whether from crime, other forms of abuse or from being drawn into terrorism-related activity;
- terrorism is an action that endangers or causes serious violence, damage or disruption and is intended to influence the government or to intimidate the public and is made with the intention of advancing a political, religious or ideological agenda;
- vulnerability describes factors and characteristics associated with being susceptible to radicalisation; and
- extremism is vocal or active opposition to fundamental British Values, including democracy, the rule of law, individual and mutual respect and tolerance of different faiths and beliefs.

Designated Safeguarding Lead

Every organisation has by law to nominate a senior member (or several senior members) of staff to advise and guide on issues relating to allegations of, or suspected abuse.
